REVIEW OF FINANCIAL STATE AND EXPLANATION OF MAJOR FINANCIAL TRANSACTIONS

审查财务状况和主要财务交易的解释

Summary of Financial Performance 财务业绩检阅

The Federation recorded Total Income of S\$ 4,391,861 in FY2023 and S\$ 1,661,882 in FY2022.

The higher total income recorded in FY2023 was mainly due to

- (a) Increase in Income collected of \$73,627 to \$92,153 from \$18,526;
- (b) Increase in Fair value gain on investment properties of \$1,776,787 to \$2,158,787 from \$382,000; and

(c) Increase in other income of \$125,185 to \$414,325 from \$289,140.

The Federation recorded Total Expenditure was S\$ 1,895,303 in FY2023 and S\$1,234,019 in FY2022. Total expense increased by S\$661,284 was mainly due to Administrative Expenses and Expenses incurred for Activities.

Overall, the Federation recorded a surplus of S\$ 2,502,658.

总会 2023 与 2022 财政年度的总收入分别为 4,391,861 新元与 1,661,882 新元。

2023 财政年度较高的总收入主要是:

- (a) 收取的收入增加了 73,627 新元 - 从 18,526 新元至 92,153 新元;
- (b) 投资性房地产公允价值收益增加了 1,776,787 新元- 从 382,000 新元至 2,158,787 新元;
及
- (c) 其他收入增加了 125,185 新元 - 从 289,140 新元至 414,325 新元。

总会 2023 与 2022 财政年度的总支出分别为 1,853,408.05 新元与 1,234,019 新元。

总费用增加 661,284 新元，主要是由于行政工作支出及主办活动支出。

总会的盈余是 2,502,658 新元，主要也是由于上述因素。

TERM LIMIT OF MANAGEMENT COMMITTEE 理事会的任职期限

None of the Management Committee members served more than 8 consecutive years.
理事会理事均未连续任职超过 8 年。

MANAGEMENT COMMITTEE MEMBERS' REMUNERATION 理事会理事的薪酬

None of the Management Committee members are remunerated for their engagement during the financial year. 在本财政年度，总会所有理事会的理事在任职期间，没有收取任何薪酬。

STAFF REMUNERATION 行政人员薪酬

None of our staff received more than S\$100,000 during the financial year.
在本财政年度，总会所有员工的薪酬没有超过 10 万新元。

APPOINTMENT OF CEO 委任总裁委任

Chief Executive Officer was appointed on 1 October 2018. He was seconded from People's Association (PA). 总裁於 2018 年 10 月 1 日 從人民协会借调出任总会总裁。

STAFF RELATED TO MANAGEMENT COMMITTEE MEMBERS 与理事会理事有关联的行政人员

None of our staff is related to CEO and management committee members during the financial year. 在本财政年度，总会的所有员工与总裁及理事会理事，没有任何关联。

RELATED PARTIES 关联方

Related parties refer to the entities who has significant control over the management and administration of the Federation. The Federation has no related entities.

关联方指对总会的管理和行政政策有重大的决定权。总会没有关联实体。

RESERVES POLICY 储备政策

Our reserves position 总会的储备状况:

	Current Year 现年	Previous Year 去年	% Decrease 减少
Unrestricted Funds (Reserves) 无限制资金 (储备)	2,581,485	2,581,485	0%
Restricted / Designated Funds: 限制/指定资金			
- Building Fund 建设资金	407,000	317,000	+0.9%
Ratio of Reserve to Annual Operating Expenditure 储备与常年运行开销比率	1.4 : 1	1.6 : 1	7.8%

The reserves that we have set aside provide financial stability and the means for the development of Wushu, Dragon & Lion Dance. We intend to maintain our reserves at a level which is at least equivalent to sustain our ratio of reserves to operating expense as 1.4 for every financial year.

The Management Committee reviews the amount of reserves that is required every half yearly to ensure that they are adequate to fulfil our continuing obligations.

总会预留的储备提供了资金稳定以供武术、舞龙舞狮的发展。储备将维持在至少相当于每个财政年度运行开销比率的 1.5 倍的水平。

理事会每半年检阅一次所需的储备金额，以确保有足够的资金履行总会的持续义务。

FUNDS IN DEFICIT 赤字储备

None of the fund maintained by the Federation is deficit as at 31 March 2024.

截止 2024 年 3 月 31 日，总会的储备没有出现赤字。

CONFLICT OF INTEREST 利益冲突

All the Management Committee (MC) Members made declaration for Conflict of Interest on a yearly basis according to the Financial Regulations for all National Sports Association.

MC members are expected to avoid actual and perceived conflicts of interest. Where MC members have personal interest in business transactions or contracts that the Federation may enter into, or have vested interest in other organisations that the Federation have dealings with or is considering to enter into joint ventures with, they are expected to declare such interests to the MC as soon as possible and abstain from discussion and decision-making on the matter. Where such conflicts exist, the MC will evaluate whether any potential conflicts of interest will affect the continuing independence of MC members and whether it is appropriate for the MC member to continue to remain on the MC.

所有理事会理事根据国家体育学会的财务条例，每年都呈报利益冲突声明。

理事们将避免直接与间接的利益冲突。如果有理事对总会可能签订的商业交易或合同有个人利益，或者在总会与其进行合作或正在考虑与其合资的其他组织中拥有既得利益，则应当向其表明此类利益，并放弃参与理事会的讨论和决策。如果存在此类冲突，理事会将评估任何潜在的利益冲突是否会影响该理事的持续独立性以及理事是否适合继续留在理事会上。

WHISTLE-BLOWING POLICY 举报政策

The Federation has a whistle-blowing policy as disclosed on the website.
总会设有供公众使用的举报政策。

COMPLIANCE WITH CODE OF GOVERNANCE (COG) 遵守治理守则

Fully complied with COG. Please refer to COG as disclosed in the Charity Portal.
总会完全符合治理守则。请参阅慈善网站披露的治理守则。

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Singapore Wushu Dragon & Lion Dance Federation (the Federation), which comprise the statement of financial position of the Federation as at 31 March 2024, and the statement of profit or loss and other comprehensive income, statement of changes in accumulated funds and statement of cash flows of the Federation for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act 1966 (the Societies Act), the Charities Act 1994 and other relevant regulations (the Charities Act and Regulations) and Financial Reporting Standards in Singapore (FRSs) so as to present fairly, in all material respects, the state of affairs of the Federation as at 31 March 2024 and the results, changes in funds and cash flows of the Federation for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Federation in accordance with the Accounting and Corporate Regulatory Authority (ACRA) *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The management committee is responsible for the other information. The other information comprises the Management Committee's Statement.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SINGAPORE WUSHU DRAGON & LION DANCE FEDERATION (CONTINUED)**

Other Information (Continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management Committee and Those Charged with Governance for the Financial Statements

Management committee is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Societies Act, the Charities Act and Regulations and FRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management committee is responsible for assessing the Federation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Federation or to cease operations, or has no realistic alternative but to do so.

The management committee is responsible for include overseeing the Federation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SINGAPORE WUSHU DRAGON & LION DANCE FEDERATION (CONTINUED)**

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Federation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Federation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Federation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SINGAPORE WUSHU DRAGON & LION DANCE FEDERATION (CONTINUED)**

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required to be kept by the Federation have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act, the Charities Act and Regulations.

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:

- a) the Federation has not used the donation monies in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- b) the Federation has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations. There is no fundraising activity during the financial year.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL YEAR ENDED 31 MARCH 2024

These notes form an integral part and should be read in conjunction with the accompanying financial statements.

1. CORPORATE INFORMATION

Singapore Wushu Dragon & Lion Dance Federation (the Federation) is registered in Singapore under the Singapore Societies Act 1966. It is domiciled in Singapore and its place of business is located at 7 Bedok North Street 2, Singapore 469646 and registered office is located at 50 Serangoon Avenue 2, #04-01, Singapore 556129.

The Federation has been granted as an Institution of Public Character ("IPC") status for the period from 8 June 2019 to 7 June 2023. The IPC status has been renewed and will be expiring on 30 June 2026.

The principal activities of the Federation are to unify various Wushu organisations of different schools, to promote wushu, lion dance, dragon dance, yinggong and qigong, to promote physical fitness and patriotism among Singaporean and to develop the martial spirit.

2. MATERIAL ACCOUNTING POLICY INFORMATION

2.1 Basis of preparation

The financial statements of the Federation have been drawn up in accordance with Financial Reporting Standards in Singapore (FRSs). The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements of the Federation have been prepared on the basis that it will continue to operate as a going concern.

The financial statements are presented in Singapore Dollars (S\$), which is the Federation's functional currency.

2.2 Adoption of new and amended standards and interpretations

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Federation has adopted all the new and amended standards which are relevant to the Federation and are effective for annual financial year beginning on 1 April 2023. The adoption of these standards did not have any material effect on the financial statements of the Federation.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE FINANCIAL YEAR ENDED 31 MARCH 2024

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.3 Standards issued but not yet effective

A number of new standards and amendments to standards have been issued are not yet effective and have not been applied in preparing these financial statements.

The management expects that the adoption of these new standards and amendments to standards will have no material impact on the financial statements in the year of initial application.

2.4 Foreign currency transactions and balances

Transactions in foreign currencies are measured in the functional currency of the Federation and are recorded on initial recognition in the functional currency at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the reporting period are recognised in profit or loss.

2.5 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The cost of property, plant and equipment includes its purchase price and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Dismantlement, removal or restoration costs are included as part of the cost of property, plant and equipment if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the property, plant and equipment.

Depreciation is calculated using the straight-line method to allocate depreciable amounts over their estimated useful lives. The estimated useful lives are as follows:

	<u>Useful lives</u>
Leasehold property	20 years
Computers	3 years
Furniture and other equipment	3 years
Right-of-use assets	2.5 years

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.5 Property, plant and equipment (Continued)

The residual value, useful lives and depreciation method are reviewed at the end of each reporting period, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in profit or loss in the year the asset is derecognised.

2.6 Investment properties

Investment properties are properties that are either owned by the Federation or leased under a finance lease that are held to earn rental or for capital appreciation, or both, rather than for use in the production or supply of goods or services, or for administrative purpose, or in the ordinary course of business. Investment properties comprise completed investment properties and properties that are being constructed or developed for future use as investment properties. Properties held under operating leases are classified as investment properties when the definition of an investment property is met.

Investment properties are initially measured at cost, including transaction costs.

Subsequent to initial recognition, investment properties are measured at fair value. Gains or losses arising from changes in fair value of investment properties are included in profit or loss in the year in which they arise.

The cost of major renovations and improvements is capitalised and the carrying amounts of the replaced components are recognised in profit or loss when incurred.

Investment properties are derecognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of an investment property are recognised in profit or loss in the year of retirement or disposal.

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.7 Impairment of non-financial assets

The Federation assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, (or, where applicable, when an annual impairment testing for an asset is required) the Federation makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognised in profit or loss.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss.

2.8 Financial instruments

a) Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Federation becomes a party to the contractual provisions of the financial instrument.

At initial recognition, the Federation measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVPL are expensed in profit or loss.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE FINANCIAL YEAR ENDED 31 MARCH 2024

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.8 Financial instruments (Continued)

Subsequent measurement

Debt instruments

Subsequent measurement of debt instruments depends on the Federation's business model for managing the asset and the contractual cash flow characteristics of the asset. The three measurement categories for classification of debt instruments are amortised cost, fair value through other comprehensive income (FVOCI) and FVPL. The Federation only has debt instruments at amortised cost.

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, and through the amortisation process.

Derecognition

A financial asset is de-recognised when the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received (and, where applicable, any cumulative gain or loss that has been recognised in other comprehensive income) is recognised in profit or loss.

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Federation becomes a party to the contractual provisions of the financial instrument. The Federation determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at FVPL, directly attributable transaction costs.

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.8 Financial instruments (Continued)

b) Financial liabilities

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

2.9 Impairment of financial assets

The Federation recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at FVPL. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Federation expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

For trade receivables, the Federation applies a simplified approach in calculating ECLs. Therefore, the Federation does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Federation has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment which could affect debtors' ability to pay.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE FINANCIAL YEAR ENDED 31 MARCH 2024

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.9 Impairment of financial assets (Continued)

The Federation considers a financial asset in default when contractual payments are 60 days past due. However, in certain cases, the Federation may also consider a financial asset to be in default when internal or external information indicates that the Federation is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Federation. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

2.10 Cash and cash equivalents

For the purpose of cash flow statement, cash and cash equivalents comprise fixed deposits and cash at banks which are subject to an insignificant risk of changes in value.

2.11 Government grants

Government grants are recognised as a receivable when there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, the fair value is recognised as deferred income on the statement of financial position and is recognised as income in equal amounts over the expected useful life of the related asset.

When loans or similar assistance are provided by governments or related institutions with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as additional government grant.

2.12 Building fund

The building fund was set up for the purpose of matching against the leasehold building. The building fund is amortised over the estimated useful of the leasehold building.

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.13 Employee benefits

a) Defined contribution plans

The Federation makes contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

b) Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Federation has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

2.14 Revenue recognition

Revenue is measured based on the consideration to which the Federation expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the Federation satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Service income

Revenue from services is recognised when the services are rendered and upon customers' acceptance.

Subscription

Revenue from subscription fee is recognised on a straight-line basis over the term of the membership.

Rental income

Rental income from operating lease (net of any incentive given to the lessees) is recognised on a straight-line basis over the lease term.

Donations

Revenue from donations is recognised when received.

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.14 Revenue recognition (Continued)

Sport council grants

Sports council grants are recognised at their fair value when there is reasonable assurance that the grants will be received and all attaching conditions will be complied with. When the grant relates to an expenditure item, it is recognised in the statement of profit or loss and other comprehensive income over the periods necessary to match them on a systematic basis, to the costs, which it is intended to compensate. Where the grants relate to an asset, the fair value is credited to a deferred income account and is released to the statement of profit or loss and other comprehensive income over the expected useful life of the relevant asset by equal annual instalments.

2.15 Taxes

a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authority. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b) Deferred tax

Deferred tax is provided using the liability method on temporary differences at the end of the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current income tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.15 Taxes (Continued)

c) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except:

- where the GST incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables that are stated with the amount of GST included.'
- The net amount of GST recoverable from, or payable to the taxation authority is included as part of receivables or payables in the statement of financial position.

2.16 Leases

The Federation assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

a) As lessee

The Federation applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Federation recognises lease liabilities representing the obligations to make lease payments and right-of-use assets representing the right to use the underlying leased assets.

Right-of-use assets

The Federation recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.16 Leases (Continued)

a) As lessee (Continued)

If ownership of the leased asset transfers to the Federation at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. The accounting policy for impairment is disclosed in Note 2.7.

Lease liabilities

At the commencement date of the lease, the Federation recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Federation and payments of penalties for terminating the lease, if the lease term reflects the Federation exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Federation uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g. changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.16 Leases (Continued)

b) As lessor

Leases in which the Federation does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising from operating leases on the Federation's investment properties is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the Federation's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

3.1 Judgements made in applying accounting policies

The management is of the opinion that there are no significant judgements made in applying accounting estimates and policies that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

3.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Federation based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Federation. Such changes are reflected in the assumptions when they occur.

Useful lives of property, plant and equipment

The useful life of an item of plant and equipment is estimated at the time the asset is acquired and is based on historical experience with similar assets and takes into account anticipated technological or other changes. If changes occur more rapidly than anticipated or the asset experiences unexpected level of wear and tear, the useful life will be adjusted accordingly. The carrying amount of the Federation's property, plant and equipment as at 31 March 2024 was S\$18,198 (31 March 2023: S\$45,648) (Note 10).

18. LEASES (CONTINUED)

d) Total cash outflow

The Federation has total cash outflows for leases of S\$23,688 in 2024 (2023: S\$17,766).

As lessor

The Federation leases its investment properties (Note 11) under non-cancellable leases agreements. These leases are negotiated for terms ranging from one to two year. The terms of the leases also require the tenants to pay a security deposit.

The Federation also has a lease of office equipment with low value. The Federation applies the 'lease of low-value assets' recognition exemptions for the lease.

The future minimum rental receivables under non-cancellable leases contracted for at the reporting date are follows:

	2024	2023

20. FINANCIAL RISK MANAGEMENT

The Federation is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks included market risk (including currency risk, interest rate risk and price risk), credit risk, liquidity risk and capital risk. The committee members carried out their financial risk management in accordance with established policies and procedures.

The following sections provide the Federation's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

(a) Market risk

(i) Currency risk

The Federation's business operations are not exposed to significant foreign currency risk as all the business activities are denominated in Singapore dollar.

(ii) Interest rate risk

The interest rate risk exposure arises mainly from changes in floating interest rate. The Federation is not exposed to the significant interest rate risk as it does not have any significant interest-bearing assets or liabilities.

(iii) Price risk

The Federation is not exposed to price risk as it does not hold any listed securities.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE FINANCIAL YEAR ENDED 31 MARCH 2024

20. FINANCIAL RISK MANAGEMENT (CONTINUED)

(b) Credit risk

Credit risk is a risk of loss that may arise on outstanding financial instruments should a counterpart default on its obligations. The Federation's exposures to credit risk arise primarily from trade and other receivables.

The Federation's objective is to seek continual revenue growth while minimising losses incurred due to increase in credit risk exposure. The Federation trades with all third parties but will only provide credit terms upon approval of the management. The receivable balances are monitored on an ongoing basis with the result that the Federation's exposure to bad debts is not significant.

Exposure to credit risk

At the reporting date, the Federation's maximum exposure to credit risk is represented by the carrying value of each class of financial assets recognised in the statement of financial position.

(c) Liquidity risk

Liquidity risk is the risk that the Federation will encounter difficulty in meeting financial obligation due to shortage of funds. The Federation's exposure to liquidity risk arises primarily from mismatches of collections and payments timing. The Federation's objective is to maintain a balance between funding through business and flexibility through the use of stand-by credit facilities.

The Federation's liquidity risk management policy is to maintain sufficient liquid financial assets and facilities through stand-by credit facilities to pay for liabilities that are due in the next twelve months.

(d) Capital risk

The Federation's objectives when managing funds are to ensure that the Federation is adequately funded and to maintain an optimal fund structure by raising-fund activities when necessary.

22. FAIR VALUE OF ASSET AND LIABILITIES

(a) Fair value hierarchy

The Federation categorises fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used as follows:

- Level 1 - quoted prices (unadjusted) in active market for identical assets or liabilities that the Federation can access at the measurement date,
- Level 2 – inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and
- Level 3 – unobservable inputs for the asset or liability.

Fair value measurements that use inputs of different hierarchy levels are categorised in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

(c) Level 3 fair value measurements

- (i) Information about significant unobservable inputs used level 3 fair value measurements

The following table show the information about fair value measurements using significant unobservable inputs (Level 3):

Description	Valuation techniques	Unobservable inputs	Range 2024	Range 2023
Investment properties – residential	Market comparable approach	Yield adjustments based on management's assumptions *	8% - 9%	7%-9%

* The yield adjustments are made for any difference in the nature, location or condition of the specific property.

- (ii) Valuation policies and procedures

Each year, the management committee of the Federation decides which external valuer to be responsible for the external valuations of the Federation's investment properties. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The management committee has discussions with the valuer on the valuation assumptions and valuation results when the valuation is performed at each annual reporting date.

- (d) Assets and liabilities not measured at fair value

Cash and cash equivalents and other payables and receivables

The carrying amounts of these balances approximate their fair values due to the short-term nature of these balances.

Trade receivables and trade payables

The carrying amounts of these receivables and payables approximate their fair values as they are subject to normal trade credit terms.

23. FUND MANAGEMENT

The Federation's objectives when managing funds are to safeguard the Federation's ability to continue as a going concern, to support the Federation's stability and growth and to provide funds for the purpose of strengthening the Federation's risk management capability. The Federation actively and regularly reviews and manages its funds to ensure optimal structure taking into consideration the future requirements of the Federation and funds efficiency, prevailing and projected profitability, projected operating cash flows, projected capital expenditures and projected strategic investment opportunities.

The capital structure of the Federation consists of accumulated funds as shown in the statement of financial position. The Federation's overall strategy remained unchanged from 2023.

The Federation is not subject to any externally imposed capital requirement for the financial years ended 31 March 2024 and 2023.

In accordance with Article 58 of the Constitution, in the event of the Federation being dissolved in accordance with Article 57, all debts and liabilities legally incurred on behalf of the Federation shall be fully discharged. The remaining funds shall be distributed to other charities or Institutions of a Public Character (IPCs) approved under the Charities Act.
