9 to 20 December 2025

Correct as at 23 September 2024

1. Nomination Criteria

- NSAs seeking to nominate athletes for the Games should establish qualifying standards and criteria, at least 13 months before the Games. These are open to all athletes and they should satisfy these standards in the NSA sanctioned championships. - NSAs should state clearly in the nominations via SportSync at least 6 months before the Games, the justification for the athletes to be selected.

- Athletes/Teams who miss the qualifying standard marginally but show potential to equal or surpass it in time for the Games.
- All achievements submitted for consideration should have taken place at international competitions sanctioned by the International and/or Regional controlling bodies, but NSAs may submit the achievements from overseas championships and meets of athletes studying in overseas tertiary institutions. However, these have to be properly accredited and sanctioned to be accepted.

4. Extenuating Circumstances

In consideration of the performance and “qualities” of athletes, the selectors may at their discretion give consideration to extenuating circumstances. For this purpose, “extenuating circumstances” mean an inability of the athlete to compete in and/or attend event, training camps or other required attendances arising from:

- Injury or illness.
- Equipment failure.
- Travel delays.
